In the light of Alberto Nason

Alberto Nason born in Venice in 1972, After finishing his studies he took three years experience in a graphic design studio Option One, In London. He then attended The Istituto Europeo di Design in Milan obtaining a diploma in 1996 in industrial design.

In 2001 he created a place called " first laboratory " in which the designer dedicated himself to technical new search of working of the glass.
In 2001 collaborated with the European Institute of Design and his thesis with the Prof. Micheli.

Grand Sciècle
Alberto **Nason**

Grand Sciècle
Grand Siècle reinvents the codes of the classical chandelier. Available in gold, copper, white and matt bronze, this playful pendant lamp is an objet d'art in and of itself that will gracefully catch the attention while spreading a soft ambient light.

Grand Sciècle
Skyline
Venice

Italian designer Alberto Nason offers
a radiant homage to the city he grew
up in with this unique creation. Venice
combines the eccentricity of the form
with the ancestral simplicity of materials.
Its delicate hand-blown glass ornaments
composition will enhance your
décor while spreading a smooth
and welcoming light.

In the light of Marzia Mosconi

Marzia Mosconi attended the "Orsoline" Art School in Milan, graduated in scenography from the Brera Academy of Fine Arts.

Various exhibitions, awards and various publications in newspapers. She collaborates with prestigious companies in the sector including axis71.

She exhibits at the XXI International DESIGN Exhibition at the Milan Triennale, a permanent display with the best designers of the 20th century.

Indian Summer

Marzia **Mosconi**

Indian Summer

Marzia **Mosconi**

Be captivated by Indian Summer's play of light and shadow and delicate foliage. Like a gleaming vegetal mist suspended between poetic charm and modernity, this creation by the Italian designer Marzia Mosconi will impart your interior a sophisticated and dreamy atmosphere.

In the light of Stéphan Lebrun

Born in Belgium in 1973, his training in cabinet making and architecture enables him to build himself the furniture pieces and projects he designs. This unique approach has opened the doors of prestigious places such as the Brussels Museum of Modern Art, the Manneken-Pis and the Belgium Museum of Embroidery.

The designer Stéphane Lebrun drew his inspiration for the design of the bamboo structures in his Nao Mai line from his travel in Asia.

S71

S71 table

S71's watchword? Classics with a twist. The series offers a darling play on textures, and materials – metal, wood – as well as a subtle renewal of classical shapes. An assortment of floor, table and wall lights available in white, brown, black and custom colors.
