Marzia Mosconi

In the light of Stéphan Lebrun

Born in Belgium in 1973, his training in cabinet making and architecture enables him to build himself the furniture pieces and projects he designs. This unique approach has opened the doors of prestigious places such as the Brussels Museum of Modern Art, the Manneken-Pis and the Belgium Museum of Embroidery.

The designer Stéphane Lebrun drew his inspiration for the design of the bamboo structures in his Nao Mai line from his travel in Asia.
